9-1-1 Outages/Remote/Community Isolations

- None reported.

Service Interruptions

- None reported.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Slight chance of thunderstorms late this afternoon into this evening for northwest California.
- Small Stream Flood Advisory for snowmelt in Mono County
 - With increased temperatures persisting, rapid snowmelt will lead to significant rises on rivers, creeks and streams across the Eastern Sierra.
 - This high water is likely to last through at least 06/20/19.

SOUTHERN CALIFORNIA

- A weak weather disturbance will bring increased chances for shower and thunderstorm activity to the Sierra region through Monday.
 - Generally dry conditions are expected elsewhere.
 - The entire area will dry out by early next week with typical warm June temperatures expected.
- Typical "June Gloom" will continue into Father's Day with night time clouds covering all of the coasts, valleys, and coastal slopes.
- During the day the clouds will slowly retreat to the beaches and some will clear by afternoon.
- Temperatures will be similar to Saturday's.

Weather Advisories, Watches, and Warnings currently active in California:

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

06/16/19 - 06/22/19

Sunday

- Creeks, streams and rivers are experiencing higher water flows due to recent snowmelt
- Isolated thunderstorms are possible, primarily along the Sierra
- Gusty winds are expected again for the mountains and deserts of extreme southern areas of Inland Region, and portions of Southern Region
 - Winds will slightly elevate fire concerns in these areas
- Warming trend begins today, especially across northern portions of the Central Valley
- Cooler than normal conditions continue today along the central and southern coasts, due to onshore flow

Monday-Saturday

- Moderate to High heat risk is expected to re-develop early this week
 - Especially for the Central Valley Mon-Wed
 - The hottest day of the week still appears to be Tuesday
- Many rivers will still be running high and fast through the week
- Isolated thunderstorms will continue to be possible Monday, especially in the Sierra, followed by dry conditions through the week
- Gusty wind potential returns across inland portions of Southern Region late in the week

EXPERIMENTAL HEAT RISK FORECAST

Monday, June 17

Tuesday, June 18

Wednesday, June 19

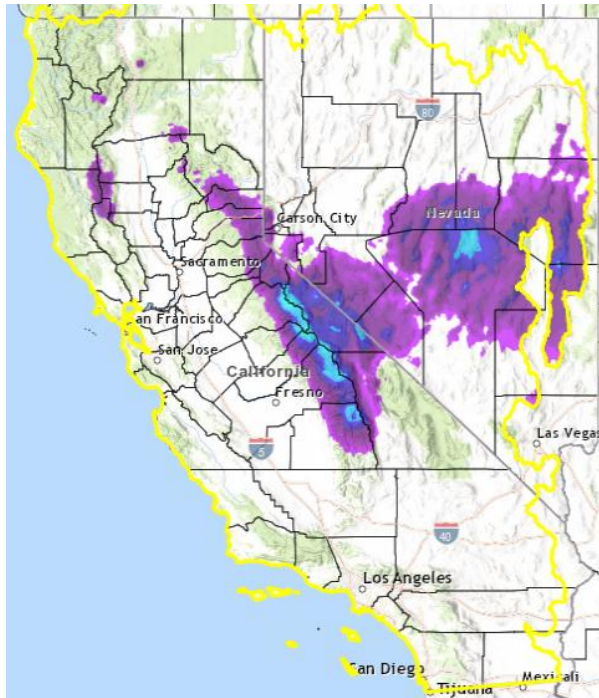

Category	Level	Meaning
Green	0	No Elevated Risk
Yellow	1	Low Risk for those extremely sensitive to heat, especially those without effective cooling and/or adequate hydration
Orange	2	Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration

Category	Level	Meaning
Red	3	High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
Magenta	4	Very High Risk for entire population due to long duration heat, with little to no relief overnight

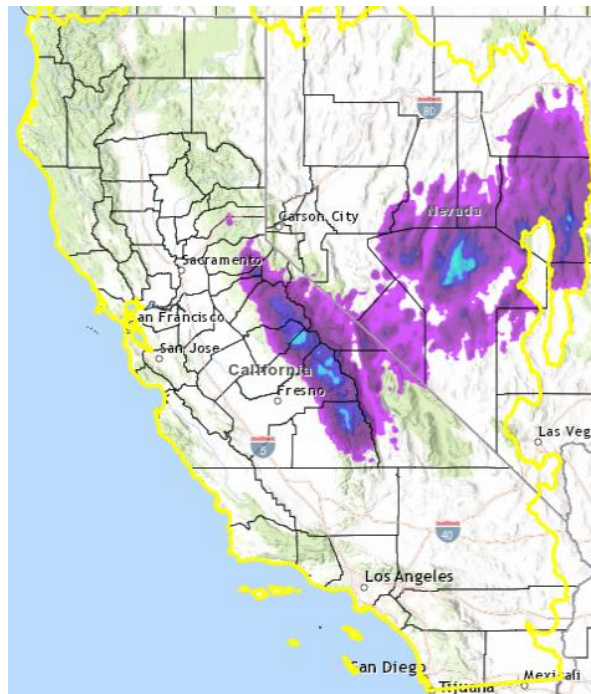

PRECIPITATION FORECAST

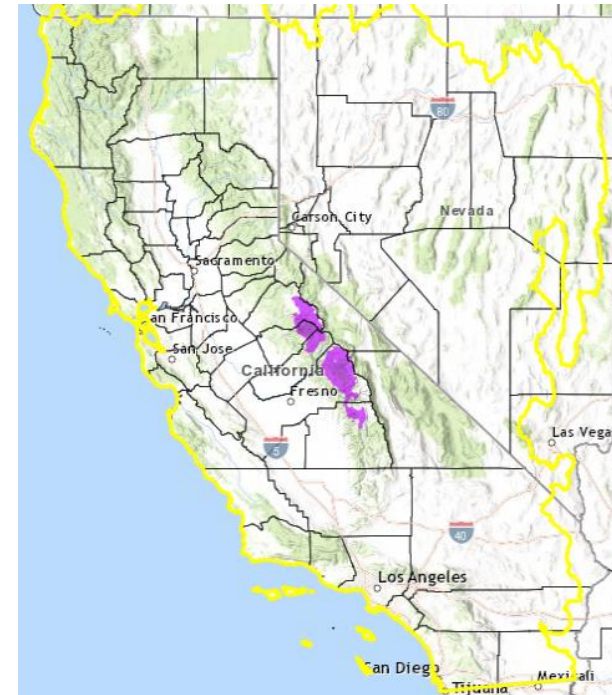

06/16/19 - 06/18/19

Sunday, June 16

Monday, June 17

Tuesday, June 18

Precipitation (inches)

Isolated thunderstorms each day through Monday, mainly along the Sierra. Dry conditions expected into mid-week

WEATHER OUTLOOK

06/21/19 - 06/29/19

6-10 Day Outlook (June 21 - June 25)

Temperatures

- Above normal temperatures slightly favored near the central and northern coasts, with a slight leaning toward cooler than normal temperatures for southern CA and along the Sierra Crest

Precipitation

- Equal chance of above or below normal precipitation across much of the state

8-14 Day Outlook (June 23 - June 29)

Temperatures

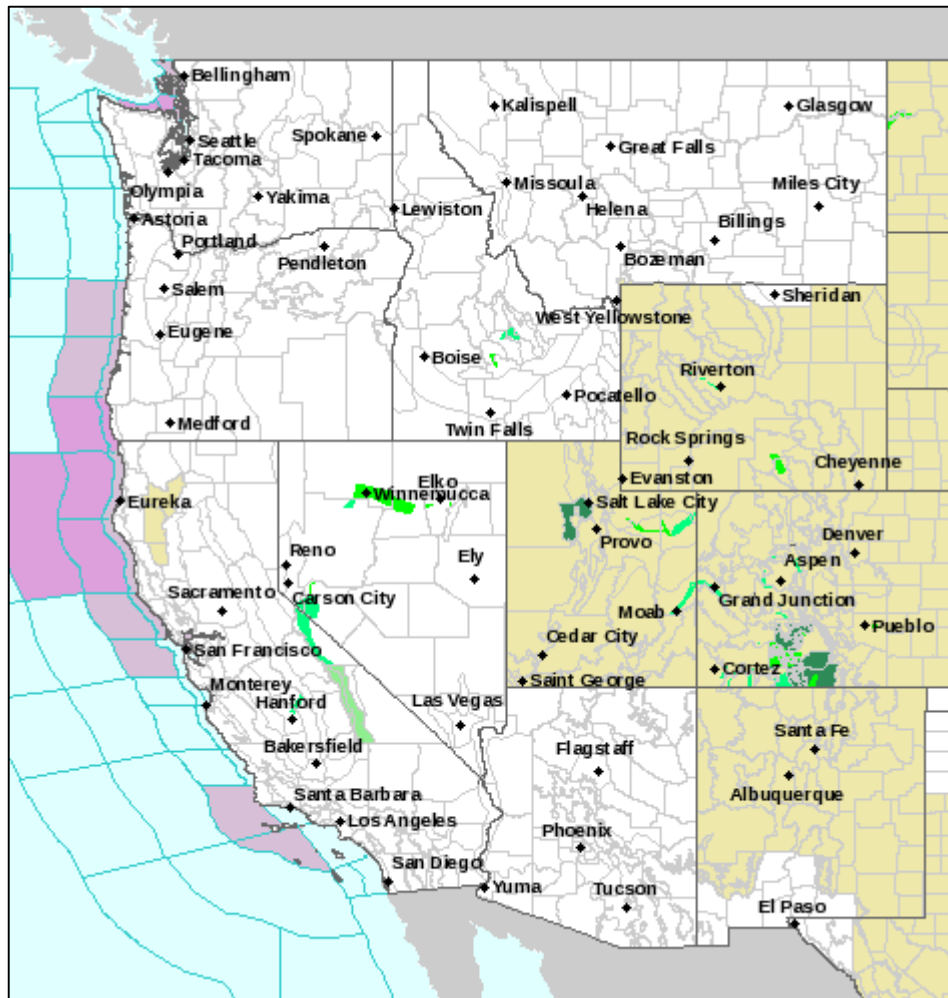

- A slight tilt of the odds toward below normal temperatures during this period

Precipitation

- Equal chance of above or below normal precipitation across much of the state

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-2380, 06/15/19, 2201 hours:** Inyo County Sheriff's Office requested mutual aid ground searchers to assist them with a missing person search at Mt. Whitney. The missing person is a 41 year old male whose rental car was found at the trail head on 06/15/19. Requesting as many Type 1 ground searchers from China Lake Mountain Rescue - Kern County, as they are familiar with Mt. Whitney and are relatively close. CLMR accepted the mutual aid request and committed available personnel who will meet at the Lone Pine Airport on 06/16/19 at 0800 hours and work with Inyo County Sheriff's Office searchers. **MISION ONGOING**
- **2019-LAW-2372, 06/15/19, 1751 hours:** AFRCC notified the CSWC of a PLB activation plotting at 37.111212 / 118.491190 near Temple Crag in Shasta County. No contact made with R/O per AFRCC. LDO contacted Shasta County Sheriff's Office (SCSO) regarding the PLB accepting the mission. **Update: 06/15/19, 2116 hours:** SCSO advised a male hiker was able to get to a ledge and secure cell service. He advised SCSO that a 29 year old female hiker sustained moderate injuries during a fall. Both hikers are experienced and have "stabilized" themselves. Shasta is working with CHP Air Ops to take searchers/rescuers to the location at first light on 06/16/19 providing flight conditions support a safe flight and rescue operation. **MISSION ONGOING**
- **2019-LAW-2320, 06/14/19, 1829 hours:** Siskiyou S/O requesting 3 HRD canines for a missing person search that is five months old. The Cal OES Canine Coordinator secured 3 HRD canines as requested. HRD Canine Teams will be meeting at the McCloud Chevron, McCloud on Sunday 06/16/19 at 0600 hours. **MISSION ONGOING**
- **2019-LAW-2216, 06/12/19, 2000 hours:** Santa Barbara Sheriff's Office (SBSO) requesting 2 trailing dogs and 4 cadaver for a search in the Santa Maria area. The teams will be searching for a 68 year old male missing since he left for a hike on 06/10/19. **Update: 06/15/19, 2022 hours:** ANG LNO on scene regarding RC-26. IC released ANG assets. LDO made aware and JOC notified by LDO. Missing person not located during extensive ground search. Coordination with SBSO planning assessment for future search needs. 06/15/19 Cal OES MIGU-1 demobed and returned to quarters. **MISSION ONGOING**
- **2019-LAW-2183, 06/11/19, 1230 hours:** Yosemite National Park requested underwater side scan sonar equipment to locate a subject believed to have drowned in the Hetch Hetchy Reservoir. The adult male fell into Rancheria Creek just upstream from the reservoir on 06/06/19 and has not been located. Merced County Sheriff and Tulare County Sheriff both have the needed equipment, and are checking availability for a mission later this week. **Update: 06/13/19, 1904 hours:** Spoke to Yosemite NPS IC who has to coordinate approval with the City of San Francisco before any vessel can enter the water at Hetch Hetchy Reservoir. No expected date for required vessels to enter the water, possibly Monday, 06/17/19 if approval can be secured. Tuolumne Sheriff is aware of this situation per the IC and is on standby. **Update: 06/14/19, 1910 hours:** Yosemite National Park is still waiting for clearance from the City of San Francisco before any vessel related to the search can enter Hetch Hetchy Reservoir. There is no ETA on approval. **Update: 06/15/19, 1351 hours:** No change. **MISSION ONGOING**

Cal OES LAW ENFORCEMENT MISSIONS

Closed Cal OES Law Missions

- **2019-LAW-2358, 06/15/19, 1511 hours:** AFRCC notified the CSWC of an ALNOT. The aircraft was supposed to arrive at the Columbia Airport at 1353 hours after leaving the Oxnard Airport. I contacted Tuolumne County Sheriff's office to attempt to locate the plane but AFRCC advised the FAA has canceled the ALNOT as a plane had crashed at the coordinates of 34 18 45 N / 118 33 56 W plotting approximately 10 miles south of Magic Mountain in Los Angeles County. I contacted LASD DOC who advised they were aware of the crash. I provided the tail number and detailed aircraft information so they could relay and determine if this was the aircraft involved in the ALNOT. **Update: 06/15/19, 1630 hours:** Per LASD DOC, deputies on scene confirmed the tail number with one fatality at the plane crash is the same as the one associated with the ALNOT. Made notification to AFRCC and Tuolumne County Sheriff's Office to cancel their ramp check at the Columbia Airport. **MISSION CLOSED**
- **2019-LAW-2344, 06/15/19, 1303 hours:** The IERCC notified the CSWC of a SPOT device activation located at the coordinates of 41.180810 / -121.874770 placing it near Bull Creek in Shasta County. Attempts to reach the registered owner's cell phone number went to voice mail. The Shasta County Sheriff's Office (SCSO) was notified of the SPOT activation and accepted the mission. **Update: 06/15/19, 1340 hours:** Shasta County Sheriff's Office advises they have a resident deputy headed that way and have asked for CHP air operations/helicopter to respond as well. **Update: 06/15/19, 1508 hours:** SCSO advises CHP air ops picked up injured female hiker who was transported to Redding. **Update: 06/15/19, 1646 hours:** Female solo hiker fell and injured ankle and shoulder. She was treated and ultimately met with her family. **MISSION CLOSED**
- **2019-LAW-2332, 06/15/19, 0700 hours:** The Kings County Sheriff's Office requested Dive Team mutual aid from the Tulare County Sheriff's office to assist with a male who is presumed to have drown located on the Kings River near Lincoln & Laurel Avenues. The Tulare County Sheriff's Office accepted the mutual aid mission and will assist Kings County today. **Update: 06/15/19, 1334 hours:** [The Tulare County Sheriff's Office/Kings County Sheriff's Office advised the drown person had been recovered from the Kings River.](#) **MISSION CLOSED**
- **2019-LAW-2093, 06/08/19, 1405 hours:** Calaveras County Sheriff requested assistance in the search for a missing adult male. The subject was reported missing to Sacramento County Sheriff on 06/05/19. His motorcycle was located on 06/08/19 in the parking lot of a river access point near Mokelumne Hill. **Update: 06/14/19, 1920 hours:** Saturday's (06/15/19) search will consist of 40 ground searchers, 2 land HRD canine teams, 2 water trained HRD canine teams, one UAS (Drone) team, and 1 boat team. The incident will have IC/overhead teams, communications team and an American Red Cross Canteen providing meals. CNG will also provide aerial search and observation (LUH-72). All resources will assemble at Mokelumne Hill by 0600 hours. **Update: 06/15/19, 1730 hours:** [Calaveras County Missing Person search complete. Calaveras County Sheriff's Office reports that operations have concluded for this operating period. The missing person was not located. All resources assigned to this mission were released. Confirmed information with Cal OES Assistant Chief who deployed to the search; advised the same. Calaveras County is reverting to a limited continuous search with in-county resources only and not seeking any further mutual aid at this time. 06/15/19 Cal OES MIGU-4 demobed and returned to quarters.](#) **MISSION CLOSED**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-LAW-0658:** Cal OES Tactical Communications Assistant Chief and MAR 2 CRU staff deployed with COMM 25 to Pebble Beach for support with CAL FIRE and CHP for the US Open. This will be a weeklong deployment from 06/09/19 ending the following Sunday evening 06/16/19. [Mission support will be complete at 2000 hours, 06/16/19.](#)
- **2019-Inland-2135:** Air monitor requested to monitor air quality in Yolo County due to the Sand Fire ([On Scene](#))

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
